BAR HILL COMMUNITY PRIMARY SCHOOL

As part of the children's work, they have been carrying out a survey (you indeed may have supplied some of the information) of the village and the needs of the residents. I have been looking at the collated results and thought you too might be interested in the answers to some questions.

Should there be more to do ? Cf those who said 'yes', 52% were Teenagers, and All ages 13%.

Give an example ? A County Council run Youth Club 42%

Do we need anything else ? Police Station, Fire Station, Permanent Library, Late night takeaway, public convenience, and a Public House with a garden.

What sporting facilities does the village need ? Swimming pool, squash, tennis, gymnasium, bowling green.

Do you agree that there is a good Community Spirit? YES 74%

As you may have seen from Cllr. Reynolds letter last month (June) steps are being taken in conjunction with the Parish Council regarding the provision of a Youth Club in the village and meetings have been held with the County Council and Swavesey V.C. so perhaps one of the 'needs' will be met.

A request was also made for a Bowling Green, well the next best thing is already provided at your Community School with the Carpet Bowls every Friday night so why not join that until such time as a real Bowling Green can be made in the village ? Carpet Bowls can also be played in rain and snow too, so that is a bonus.

I notice that a request has also been made for a Gymnasium - should that have come from the male members of the community please let me know and I will try to arrange a similar course to that of the Ladies Get Fit for them with more Gym work or indoor games as required. Just get in touch, as I feel that we don't do enough for the males of the Village.

My thanks to P. C. Turney and his helpers who have been running the Young Motorcyclists course. We had a very good attendance and I hope the youngsters enjoyed it and will use the knowledge they have gained, be it roadcraft or mechanics, to good advantage.

I do hope that you all tuned in to Radio Cambridge on 3rd July to hear your Community School. We had a $\frac{1}{2}$ hour slot all to ourselves and I hope we came over to the rest of Cambridgeshire as a friendly, open place. We have a copy of the broadcast should you like to hear it.

Look out for next month's newsletter when I will give you news of the extra courses and happenings for the autumn term and in the meantime enjoy your holidays and the, hopefully, lovely weather.

TEA AT TEN

We are having a break during August and meet again on Wednesday 4th September from 10 - 11.30am in the Church Centre. Everyone is welcome especially newcomers to the village and there are lots of toys for the children to play with.

A new Chairman for 'Tea at Ten' - we need someone who is free on a Wednesday morning who would be willing to open the Church, prepare the room and make the tea. We have a good committee to provide help and back-up. Bobby has now run 'Tea at Ten' for almost 3 years and would like to stand down although she'd be willing to stay on the committee. Pauline - who is vice chairman - has other commitments and although willing to stay on the committee does not wish to take over as Chairman. Now is your chance to get involved with village life and meet lots of new people. If you are interested please phone Pauline Germain on CH 81771. New committee members are also needed.

BAR HILL CATHOLICS

August is usually a quiet month in Bar Hill as many people are away on holiday. We have two Masses this month, the first is a House Mass at Margaret Moffat's, 1 The Fairway, on Friday 9th August at 8.00 p.m., and the second is our usual monthly Mass at the Church Centre on Sunday 11th August at 11.30 a.m. After the Mass on 11th August there will be an ecumenical cricket match (what will they think of next!) Bring a picnic lunch and come and cheer on our gllant Catholic XI (or X, or IX, or however many players we manage to round up) as they take on the might of the Bar Hill Church XI, led by that well known exponent of the glorious game, James Newcome. No holds will be barred in this encounter and dirty tricks will doubtless abound - all's fair in love, war, and ecumenical cricket! If, despite all this, any of the men would like to play, please contact Margaret Mofatt on 82366.

In September we hope to get down to more serious matters (although some might ask what could be more serious than cricket!), with a series of discussions. More news about this later. Children's Religious Instruction will also begin again in September and as we now have more helpers we will be able to take more children. Parents are invited to send any child aged 5 or over to the classes, which are held every Tuesday at the school, from 4.00 to 4.45 p.m.

Happy holidays to everyone, whether you are going away or not - and, if not, you are welcome to call on me any afternoon for a chat and a cuppa, especially if you are new to the village.

Chris Avery, 23 Foxhollow, CH. 81233

.....

Many of you may have seen me either running the dog around the village or tackling the A.604 on my bike, the reason for all this activity is because on 26th August I'm participating in the Cambridge Triathlon. In doing so I hope to raise substantial funds for Papworth Hospital for the patients' needs and care fund.

I myself, being asthmatic, have been a patient all too often at Papworth and know only too well about excellent medical care one receives, however many of the buildings are old and facilities for patients somewhat lacking.

I have sponsor forms for both individuals and companies and already many of you have pledged most generously. If anyone wishes to sponsor me for this most worthy cause please contact me at the below address or phone 81292.

Linda Lawson

Many thanks to the retiring committee for all their hard work through the year.

Thanks to everyone who supported our finger puppets stall at the Fete, and to all the committee members who helped sew them. Special thanks to Beverley who not only designed them but spent many tedious hours cutting them out ready for assembly.

Happy holidays to you all - see you in September.

Linda Lawson, CH 80774

LETTERS TO THE EDITOR:

MOTORISTS IN BAR HILL

PLEASE help our children live to play another day by driving SLOWLY on our roads, particularly roads within the village. The speed limit is 30m.p.h. (even for our perimeter race track), but even 30m.p.h. is too fast for our little roads. Don't let there be a tragedy before slowing down.

PLEASE DRIVE SLOWLY AND CAREFULLY.

Jennie Barker
10. Little Meadow

EDITORS NOTES:

PERIMETER ROAD

1. Many people have expressed their anxiety over the would be racing drivers exercising their formula 1 machines around our perimeter road. They think it is a race track. It is not it has a 30m.p.h. limit on it. Please take care and as Mrs. Barker above says, let Bar Hill be a safe place for us all to live in and enjoy without anxiety.

EDITORS NOTES(continued)

is becoming or is poor in the Bar Hill News of late. The committee are very much aware of this and we have battled for the last 6 months with an out of order offset printer whose spare part apparently was made in Outer Mongolia and two other machines that need constant nursing. We have spilt blood, sweat and tears producing the mag on these machines but have produced one each month under great difficulties. Please bear with us, we hope for newer machines soon and the offset hopefully will be fully operational.

OPEN LETTER TO ALL RESIDENTS

from: Councillor John Reynolds
4 Pettitts Close,
Dry Drayton Tel.CH 80975

I was pleased to have been able to visit Bar Hill Primary School on Open Day and was particularly impressed with the fascinating Doomsday Project being undertaken by the pupils. Education Officers and myself have discussed the future temporary and permanent building needs of the Primary School and I have sought an assurance that a further mobile will be erected on the site in the autumn. I have also asked for provision to be made in the County Council's Medium Term Plan for these mobiles to be replaced with permanent buildings. I hope soon to be appointed as an LEA Governor to Bar Hill Primary School and to Swavesey Village College

The Education Committee on June 18th accepted my proposal regarding re-imbursement of any deductions to School Lunch Time Supervisors if there was no food available to them.

Considerable progress has been made during the past month regarding Youth Activities in the Village. I have been able to persuade the County Council to provide some financial assistance in the current year and to look at more permanent funding thereafter.

I have for some time been concerned that safety on the A604 needs further improvement. I am pleased to report that I have had discussions with the County Council's Transportation Department and have made some progress in my bid to obtain further improved route indication signs. I will be following this up in the coming months.

I have been re-appointed as the County Council's Representative on the Area Board of the Manpower Services Commission, part of whose responsibility is the introduction of the new 2 year Youth Training Scheme due to start in 1986. Those young people who have recently left the scheme after a years training in Cambridgeshire have had considerable success in obtaining employment, nearly 80% obtained full time work which is well above the National Average.

Since my last letter I have received requests from many residents for help and advice with their problems all of which I am in the process of following up. The requests came via letter, telephone and personally through my Surgery held last month at Bar Hill Primary School. There will be another Surgery at the same place in September, all are welcome. If you have any problems in the meantime I can be contacted at the above address.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday 18th July in the Village Hall.

Youth Club

A meeting was held at Swavesey Village College to discuss the future of the Youth Club and as a result the Club will be re-formed in the autumn under the leadership of a professional youth worker. The question of premises is still being investigated and more information will be given in future editions of the News.

A604

A senior official of the Department of Transport will be attending the September Parish Council meeting to discuss safety provisions on the A604. Particular reference will be made to sign posting arrangements. Any members of the public who are interested in this matter are welcome to attend the meeting although they are reminded that they may not speak unless invited to do so.

School Governors

Mrs Brett and Mr Wills were again nominated as Parish Council representatives to the Board of Governors of Bar Hill School, and Mr Hall was nominated to fill the remaining position. Thanks to those people who offered themselves for nomination and we hope that although unsuccessful at this time, they will retain their interest for a future occasion.

Postboxes

Postboxes have now been installed at Little Meadow and Chestnut Rise, in addition to those already sited at Hollytrees, Appletrees Pheasant Rise and The Mall.

Cycle Race

The Parish Council was delighted to hear that a cycle race around the perimeter road is to be held on Sunday 18th August. This will be in two sections, junior and senior, and the Parish Council is to present a small trophy to the winner of each section. We hope that villagers will enjoy the spectacle provided by the race and trust that anyone who may be slightly inconvenienced will accept our apologies. In the meantime the possibility of a Bar Hill Half Marathon to be held next year is being investigated.

Anonymous letters

Both the Parish Council and the Residents Association have received an anonymous communication from a group of residents. The Council and the Residents Association both wish to make it abundantly clear that no action will be taken on any letter unless it is signed, although any wish for confidentiality will be respected.

There will be no meeting of the Parish Council in August due to holidays, and the next meeting will therefore be held on Thursday 19th September at 7.30pm in the Village Hall.
